

Remarks/Arguments

By this Amendment After Allowance, claim 1 has been revised to correct an obvious typographical error. In particular, at line 11 of claim 1, the phrase “second pressure chamber” has been changed to “second *vacuum* chamber”. Support for this correction is self-evident from the multiple usages of “second vacuum chamber” throughout claim 1.

The scope of the claims has not been altered.

Entry of the Amendment After Allowance is respectfully requested.

Respectfully submitted,
